Company Secretary
(Membership No.A47396)

BOARD OF DIRECTORS' REPORT TO THE SHAREHOLDERS

Your Directors present their 32nd Annual Report on the business and operations of the Company and its Audited Statements of Accounts together with Auditors' Report for the financial year ended 31st March, 2018.

	Current year (31.03.2018)	Previous year (31.03.2017)
	Rupees in Lakhs	Rupees in Lakhs
1. SUMMARY OF FINANCIAL RESULTS AND PERFORMANCE OF THE COMPANY:		
Income from Operations (Including other Income)	2482.97	406.18
Profit before and also after exceptional and Extra-ordinary items and taxes	38.61	81.82
Less: Tax Expenses for the year	21.58	20.26
Add: Deferred Income Tax (Assets)	34.77	14.40
Net Profit for the year after tax	51.79	75.96
Add: Other Comprehensive income	-4.80	-5.75
Total Comprehensive income (including net Post Tax Profit for the year)	46.99	70.21

2. DIVIDEND:

Your Directors do not recommend any dividend for the year under review.

3. RESERVES

No amount has been transferred to the reserve by the Board during the year under review.

4. THE COMPANY'S WORKING/STATE OF AFFAIRS DURING THE FINANCIAL YEAR UNDER REVIEW

The Company's overall working during the Financial Year under review has not been satisfactory. Due to unremunerative and financially unviable operations caused by high/unaffordable prices of iron ore/pellets together with expensive logistics cost for transporting the same from Bellary/Hospet based iron ore mines and pellet plants (Karnataka) to Company's Sponge Iron Plant at Dist. Nalgonda; the management had no option but to keep the said Sponge-Iron plant inoperative for the entire year. The said unit is lying inoperative for the past few years and difficult for it to become economically viable unless the prices of iron ore/pellets fall through competition amongst the suppliers without corresponding fall in the selling prices of Sponge Iron on a sustainable basis. The said plant has been incurring losses since its shut-down as the Company has to bear and pay for its fixed overheads and expenses and hence your board feels and considers that it will be prudent to sell /dispose off the same to any prospective buyer to cut down the continuing losses though it is difficult to get a buyer considering the overall prevailing economic conditions particularly as substantial number of medium sized industrial units of delinquent borrowers having been put on sale by lending banks with a weak response. However, if conditions become favourable; the management will strive to restart the manufacturing operations at this plant.

The Company's Raigarh, chhatisgarh, based gas bottling plant also remained inoperative due to uneconomic operations, limited market and as the same cannot compete with the highly resourceful Government owned oil companies. This plant has also been lying inoperative for several years and incurring losses due to fixed overheads and other expenses and your board considers it prudent to sell/dispose off the same as there is little scope of its turning viable or to give it on lease/rent to any willing party.

In the case of LPG Bottling Plant at Uluberia, Howrah, given on lease; the Lessee has conveyed unwillingness in continuing with the existing lease arrangement. However, the said lessee has shown interest in outright purchase of company's said plant and is in contact with the management and your board will take a decision in the matter upon receipt of any formal and binding offer/proposal from the said lessee.

Your Board's prudent opinion and advisory as above with respect to the said units of the company; can fructify only upon identifying/finding prospective serious/genuine buyers for them under the current difficult economic atmosphere

and receiving definite, formal and binding offers/proposals for the said units and subject to receipt of consent and approval from you as required under the applicable provisions of the companies act,2013 and other laws/regulations, if any. It is pertinent to mention here that the board had taken your approval/consent to sell /dispose off the said units through a special resolution passed and adopted by you through postal ballot process during August 2016 but in absence of any serious and definite formal proposals from any intending buyer(s) ; your board could not do anything in this respect. Your board is considering taking fresh consent and approval from you in this respect through postal ballot procedure.

However, the Company's Sponge Iron Plant at Jamshedpur commenced commercial production from middle of April, 2017 and barring for few interruptions it continued to operate till the year end. The said plant has also been shut down temporarily from April, 2018 onwards to carry out major augmentation of Pollution Control Equipments at a substantial capital cost. The said Sponge Iron Plant is expected to commence production after the end of rainy season of the calendar year 2018.

The Company's income from operations (net of excise, VAT and GST) for the year ended 31.03.2018 stood at Rs.2304.54 lacs (previous year Rs.185.13 lacs). The Company has also earned other income of Rs.178.42 lacs (previous year Rs.215.30 lacs). The Company's Sponge-Iron Plant at Jamshedpur produced a total of 13477 MT of Sponge Iron (previous year nil). After taking into account of the incomes and related expenses including Income Tax; the Company earned a net profit of Rs.51.79 lacs (previous year Rs.75.96 lacs). The other comprehensive income/(loss) pursuant to adoption of new Indian Accounting Standards (IND AS) w.e.f. 1.4.2017 amounted to Rs. (4.80) lacs and consequently the total comprehensive income including profit after tax stood at Rs.46.99 lacs. Your directors are continuing their best efforts to improve the overall working and financial performance of the Company.

5. CHANGE IN NATURE OF BUSINESS OF THE COMPANY:

None during the year

6. MATERIAL CHANGES AND COMMITMENTS AFTER THE END OF THE FINANCIAL YEAR 31.03.2018 TILL THE DATE OF THIS BOARD REPORT:

The Company's Sponge Iron Plant at Jamshedpur has been temporarily shut down from April, 2018 onwards for augmentation of Pollution Control Equipments as stated in Para 4 above. Barring this; there are no other material changes.

7. SIGNIFICANT MATERIAL ORDERS PASSED BY REGULATORS OR COURTS OR TRIBUNALS AGAINST THE COMPANY:

None.

8. ADEQUACY OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO COMPANY'S FINANCIAL STATEMENTS:

In the opinion of the Board, the Company has adequate Financial Controls in place with respect to Company's Financial Statements and Operations. Kindly refer to Annexure 'B' of the Statutory Auditors report dated 29th May, 2018.

9. DETAILS OF NAMES OF COMPANIES WHICH HAVE BECOME OR CEASE TO BE THE COMPANY'S SUBSIDIARY COMPANIES/ JOINT VENTURE/ ASSOCIATE COMPANIES DURING THE YEAR UNDER REVIEW AND THEIR FINANCIAL PERFORMANCE:

The Company neither has nor had in the past any subsidiary, associate or joint venture Company.

10. FIXED DEPOSIT :

The Company has not accepted any deposits during the year from the Public under section 73 or 74 (Chapter V) of the Companies Act, 2013 nor did it receive the same in any of the previous years and hence there are no overdue/ outstanding Deposits or any interest payable thereon and therefore the prescribed details under the Companies Act, 2013 are not required to be furnished.

11. STATUTORY AUDITORS :

The Board of Directors recommend re-appointment of M/s. M.R. Singhwi & Company (bearing firm Registration no. 312121E) as the statutory auditors of the company for the financial year 2018-19 beginning from the conclusion of 32nd AGM and upto the conclusion of 33rd AGM. The declaration to the effect that their appointment, if made, would be within the prescribed limits and they are eligible for appointment as such and do not suffer from any disqualifications as specified in section 141 of the Companies Act, 2013 and the relevant rules made thereunder has been received from them and accordingly the members are requested to consider adoption of the respective ordinary resolution as set out in the notice convening the next 32nd AGM.

12. AUDITOR'S REPORT :

The observations made in the Auditor's Report are self-explanatory and do not call for any further comments u/s 134(3) (f) of the Companies Act, 2013. The Auditors have not made any materially significant qualifications in their Report.

13. EXTRACT OF THE ANNUAL RETURN OF FINANCIAL YEAR ENDED 31.03.2018:

The same is annexed with this Report in the prescribed FORM NO. MGT-9.

14. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, EXPORTS AND FOREIGN EXCHANGE EARNINGS AND OUTGOINGS.

The information's required under Section 134(3)(m) of the Companies Act, 2013 read with Rule 8 of the Companies (Accounts) Rules 2014, are as under:-

(A) CONSERVATION OF ENERGY :

The Power requirement at Company's Gas Bottling Plant is negligible as only bottling of gases is being done. For Sponge Iron Plants, the Capacitor Panels of adequate size and number have been installed and are maintained to save and economise on power consumption. The Company has not made any fresh investments on this account nor was there any need to take any fresh initiatives on this account.

(B) TECHNOLOGY ABSORPTION :

The Company is using in-house technology and expertise for its Hydrocarbon Gas Bottling Plants. The technology to manufacture Sponge Iron was provided by an outside agency long ago. The said technology is fully indigenous, is now well established, and has been fully absorbed by the Company. The Company has not so far made use of any imported technology for its products/plants. The Company has not made nor felt necessary to absorb any fresh technology and the Company has not incurred any expenditure on Research and Development.

The Board has carried out the performance evaluation of all Independent Directors of the Company and is satisfied with their performance.

15. CORPORATE SOCIAL RESPONSIBILITY (CSR) POLICY:

As per criteria prescribed under section 135 of the Companies Act, 2013; the CSR is not applicable to the Company in respect of the financial year 2016-17 covered under this Report. The Company will, however, formulate and implement CSR Policy as and when it gets applicable to the Company.

16. DIRECTORS :**A) Changes in Directors and Key Managerial Personnel:**

Mr. Suresh Kumar Agarwal and Mrs. Sushma Chhibbar were re-appointed as Directors of the Company by the members in the last Annual General Meeting held on 18th September, 2017. Mr. Vishesh Chhibbar and Mr. Puranmal Agarwal, the Directors, retire by rotation and are eligible for re-appointment in the ensuing 32nd AGM. The brief resume about the Directors seeking re-appointment is enclosed with the notice of AGM. Mr. Nikhil Deora, Company Secretary had resigned during the year due to personal reasons. Miss Shweta Mishra has been appointed as the new Company Secretary by the Board with effect from 29.05.2018, being the date of this Board Report.

B) Declaration by an Independent Director(s) and Re-appointment, if Any:

Declaration given by Independent Directors meeting the criteria of independence as provided in sub-section (6) of Section 149 of the Companies Act, 2013 and Rule 5 of the Companies (Appointment and Qualification of Directors) Rules, 2014 has been received and taken on record. The Independent Directors are serving the Company for the past few years and over the period they have been well familiarized with every functional, operational and

financial aspects of the Company. During the year no new Independent Director was appointed and no existing Independent Director had resigned.

17. BOARD MEETINGS HELD DURING THE YEAR :

During the year the Board of Director's Meetings were held on four occasions e.g. on 19.05.2017, 09.08.2017, 24.10.2017 and 02.02.2018. The Independent Directors held their separate annual meeting on 28.03.2018.

18. AUDIT COMMITTEE, NOMINATION & REMUNERATION COMMITTEE, STAKEHOLDERS RELATIONSHIP COMMITTEE & VIGIL MECHANISM :

As stated in the Corporate Governance Report annexed hereto.

19. LOANS, GUARANTEES AND INVESTMENTS:

Refer Note:11 in the Financial Statements of Accounts.

20. PARTY TRANSACTIONS AS REQUIRED UNDER SECTION 188(1) COMPANIES ACT, 2013:

The company has paid office rent of Rs.1.5 lacs to a related party as rent and has also paid Rs.8.4 lacs as remuneration to the Managing Director. There are no other related party transactions. Please refer to Form AOC-2 annexed with this Board Report and forms part of it.

21. MANAGERIAL/DIRECTOR'S REMUNERATION:

The particulars of the same are as mentioned in the Corporate Governance Report annexed to this Board Report.

22. STATEMENT OF COMPLIANCE WITH NEW SECRETARIAL STANDARDS AS NOTIFIED AND EFFECTIVE FROM 01.10.2017.

The Company has adopted and complied with the new secretarial standards for general meetings (SS-2) and with regard to meetings of the Board of Directors (SS-1) w.e.f. 01.10.2017 as issued by the Institute of Company Secretaries of India and approved by the Central Government under Section 118 (10) of the Companies Act, 2013.

23. SECRETARIAL AUDIT REPORT:

A Secretarial Audit Report given by J. Patnaik & Associates, a Company Secretary in Practice, is annexed hereto in the prescribed Form No. MR-3 of Companies Act, 2013 and forms part of this Board Report.

24. CORPORATE GOVERNANCE :

The Company files quarterly Corporate Governance Report with BSE Ltd. as required under SEBI LODR REGULATION-24. Corporate Governance Report along with the Certificate of the Secretarial Auditors confirming compliance of conditions of Corporate Governance as required under the relevant Regulations of SEBI LODR Regulations - 2015 is annexed to and forms part of this Board Report.

25. RISK MANAGEMENT POLICY:

The Company's biggest risk is with regard to procurement of critical raw materials namely Iron-Ore and Coal at reasonable/affordable rates but it has virtually no control on the same as several of the Iron-Ore Mines in the Country still remain closed and no significant new commercial iron ore and/or coal mines have come up in the last several years and Coal has to be sourced mainly from Government-Owned Companies who decide and fix the prices arbitrarily. The other risks are the wide fluctuations in the selling price of Sponge-Iron which again depend on Demand and Supply and your Company being a nominal player has no control or influence on the same. The Company has, however, laid down procedures to inform the Board of Directors about Risk Assessments and it's minimization procedures. The Board has also framed and implemented the Risk Management Plan for the Company to the extent it was possible, feasible and practical. The formation of Risk Management Committee is not applicable to the Company as the requirement is applicable to only top 100 listed entities on BSE Ltd. as per Regulation 21 of SEBI LODR REGULATIONS, 2015.

26. DISCLOSURES ABOUT REMUNERATION TO DIRECTORS VIS-À-VIS EMPLOYEES AND OTHER PARTICULARS AS REQUIRED UNDER SECTION 197 OF THE COMPANIES ACT 2013 READ WITH RULE 5 OF COMPANIES (APPOINTMENT & REMUNERATION OF MANAGERIAL PERSONNEL) RULES, 2014:

A. During the year a remuneration of Rs 8,40,000/- was paid to Managing Director and sitting fees of Rs 33,000/- was paid to the Independent Directors for attending the Board Meetings and none of the other directors received any remuneration and therefore, the computation of ratio of remuneration of each Director to the median remuneration of the employees of the Company are not furnished.

The remuneration paid and/or payable to the Key Managerial Personnel's are very reasonable and is commensurate with their performances. The remuneration paid to the employees is as per the remuneration policy of the Company, which is dynamic in nature and changes as per the financial performance of the Company and of an individual employee including their work experience, competency, job profile, skill and seniority.

- B. No employee of the Company during the financial year was in receipt of remuneration aggregating to Rs.60 lacs or more if employed for the whole year and Rs.5 lacs per month if employed for a part of the financial year. No employee of the Company is holding 2% or more of the Equity Shares of the Company. The number of permanent employees as at year end were twenty and the ratio of remuneration paid to Managing Director to median remuneration of the employees was 4.32 :1.

27. DISCLOSURE UNDER SEXUAL HARRASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION & REDRESSAL) ACT, 2013:

The Board of Directors and/or the Management of the Company has not received any complaint on this account from any of the employees of the Company or from any other person.

28. DIRECTORS' RESPONSIBILITY STATEMENT:

The Directors' Responsibility Statement referred to in clause (c) of sub-section (3) of Section 134 of the Companies Act, 2013, states:-

- (i) That in the preparation of the annual accounts for the financial year ended 31st March, 2018, the applicable accounting standards had been followed along with proper explanation relating to material departures.
- (ii) That the Directors had selected such accounting policies and applied them consistently and made judgments and estimates that were reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit of the Company for the year under review.
- (iii) That the Directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.
- (iv) That the Directors have prepared the accounts for the financial year ended 31st March, 2018 on a going concern basis.
- (v) That the Directors had laid down internal financial controls, which are to be followed by the Company, and that such internal financial controls are adequate and were operating effectively.
- (vi) That the Directors had devised proper systems to ensure compliance with provisions of all applicable laws and that such systems were adequate and operating effectively.

29. ADOPTION OF NEW ACCOUNTING STANDARDS – IND-AS :

The Company has adopted the new accounting standards being called as IND-AS w.e.f. 01.04.2017 (with transition period being 01.04.2016) in compliance with the requirement of Section 133 of the Companies Act, 2013 and Companies (Indian accounting Standards) Rules 2015 vide notification dated 16.02.2015 and accordingly the current year's financial figures and audit thereof are as per requirements of new IND-AS to the extent the same were applicable to the Company's financial transactions and found practical to adopt with use of optional exemptions. MANAGEMENT DISCUSSION AND ANALYSIS REPORT (Part of Board/Annual Report)

As per SEBI disclosure regulation 34(3) and schedule V (clause-B)

(For the Financial Year ended 31st March, 2018)

(a) Industry Structure and Developments:

The principal product of the Company is manufacturing of Sponge Iron at its Plants located at Jamshedpur and at District Nalgonda, Telengana. Sponge Iron is used by secondary steel melting shops (induction furnaces) for making steel billets/ingots which in turn are used by the re-rollers for making long products (TMT BARS) used in the house building and in the infra-structure development. The selling prices of Sponge Iron are market driven and the Company has no control over it. The principal components of cost of Sponge Iron are coal, iron ore and freight and the Company has virtually no control on their availability and cost. The sponge iron industry in the country has been suffering for last several years and many plants are still lying closed or operating at lower capacity. However beginning from January,2017; the overall conditions started improving and as a result the company had commenced commercial production at its sponge iron plant at Jamshedpur.

(b) Opportunities and Threats :

The consumption of Sponge Iron is mainly linked with the consumption of TMT Bars used in house building and infra-structure sectors and both these sectors had witnessed slowdown during the past several years and which trend has now started reversing with the increased thrust by the central government mainly on affordable housing and subsidized construction of toilets on mass scale and which is resulting in increased domestic consumption of TMT bars and consequential uptick in demand for sponge iron.

The availability of iron ore and coal in adequate quantity and at affordable prices are the major threats to the Sponge Iron Industry. The government needs to put in to place a suitable mechanism to ensure availability of iron ore and coal to the sponge iron industry in adequate quantity and at affordable rates by stopping/restricting the high profit taking attitude and mentality of the iron ore and coal miners which include government owned coal India limited. The government also needs to reopen the closed iron ore mines and opening of new mines on war footing to safeguard the steel/sponge iron industry and to accelerate higher steel production in the country.

(c) Segment-wise Product-wise performance:

Your Company has only two segments namely Sponge Iron and gas taking into account the nature of the product, uses and production system. However, your Company mainly operates under the "Iron & Steel" Segment (the gas bottling plant at Raigarh being closed) and hence segment-wise result has not been given.

(d) Outlook :

In view of what has been stated in foregoing paragraphs; your Management perceives that the outlook of the Sponge iron Industry in the current financial year may remain positive subject to the Central Government continue taking effective and positive steps to increase expenditure on low cost house building and infrastructures to boost the demand for TMT bars which in turn can boost the Sponge Iron selling prices to reasonable and remunerative levels.

(e) Risks & Concerns :

Risk is inherent in every business activity and Sponge Iron Industry is no exception. The steel industry displays strong commodity characteristics and is subject to cyclical price movements in business cycles. The Company is exposed to risks from overall market fluctuations, cheaper import of steel, changes in government policy, laws of the land, taxation, man-made disaster, political risks and increase in cost of inputs like Iron ore, coal, power, diesel, freight, etc. which affect the financial performance of the Company.

(f) Internal Control System and its Adequacy :

The Company has proper and adequate system of internal controls commensurate with its size and nature of operations to provide reasonable assurance that all assets are safeguarded, transactions are authorized, recorded and reported properly and applicable statutes are duly complied with. The Company has constituted an Audit Committee to monitor

the adequacy and efficacy of internal control systems.

The adequacy of these compliances and their effectiveness is subject to statutory audit and the same has been adequately reported by the Auditors in their report as required under the relevant provisions of the Companies Act, 2013. The Company also has an Internal Audit System.

(g) Discussions on financial performance with reference to operational Performance:

During the year, the Company's income from operations/sales turnover including lease rent and excise but excluding GST stood at Rs.2304.54 lacs as compared to Rs.190.88 lacs in the previous year. The operating profit before interest, depreciation and taxation stood at Rs.111.92 lacs compared to Rs.147.08 lacs in the previous year. The Company has earned a post-tax net profit of Rs.51.79 lacs as compared to a net profit of Rs. 75.96 lacs in the previous year. During the year the Company produced 13477 MT of Sponge-Iron. Your Directors are continuing their efforts for improving the operational and financial performance of your Company.

(h) Material Developments in HRD and industrial Relations Front:

Your Directors recognize the value of employees as valuable assets. Developing, motivating, rewarding and retaining talented employees at all levels is a priority and a key responsibility and policy of your Company's management. The total no. of people employed by the company were twenty as on year end.

i) Cautionary Statements:

Statements in this management discussion and analysis report describing the Company's objectives, projections, estimates and expectations may be termed as forward looking statements within the meaning of applicable laws and regulations. Actual results may differ materially from those either expressed or implied. The readers of this report are, therefore, advised to read the same with this caution.

Annexure 'A'

To the Independent Auditors' Report of even date on the Standalone IND AS Financial Statement of ASHIRWAD STEELS & INDUSTRIES LIMITED.

Referred to in paragraph 1 under the heading 'Report on Other Legal & Regulatory Requirement' of our report of even date to the financial statements of the Company for the year ended March 31, 2018:

We report that:

- 1) In respect of its Property, Plant and Equipments:
 - a) The Company has maintained proper records showing full particulars including quantitative details and situation of its Property, Plant and Equipments.
 - b) The company has physically verified all the major Property, Plant and Equipments as per a phased program of verification. In our opinion, the frequency of verification is reasonable having regard to the size of the Company and the nature of its assets. The discrepancies reported on such verification were not material and have been properly dealt with in the books of accounts.
 - c) According to the information and explanations given to us and the records examined by us and based on the examination of the registered sale deed/ transfer deed/ conveyance deed provided to us, we report that, the title deeds of all the immovable properties other than self constructed immovable Properties (Building and Factory Sheds etc.) are held in the name of Ashirwad Steels & Industries Ltd.
- 2) As per the information furnished to us the management has conducted physical verification of inventory at reasonable intervals during the year wherever possible and required, and the discrepancies noticed have been properly dealt with in the books of accounts.
- 3) The requirement of clause (iii) a, (iii)b and (iii)c of the order are not applicable since no loans have been given during the year to companies, firms, limited liability partnerships or other parties covered under Section 189 of the Companies Act, 2013.
- 4) In respect of loans given and long term investments made in shares (quoted and un-quoted) of companies; the provisions of section 185 and 186 of the Companies Act, 2013 have been complied with. No loan has been given to any director of the company.
- 5) In our opinion and according to the informations and explanations given to us; the Company has not accepted any deposit from public within the meaning of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed thereunder and hence no reporting on this account is required.
- 6) Since the net worth of the Company is less than Rupees one hundred and fifty crores and the turnover in respect of sponge iron is less than Rupees thirty five crores, the requirement of maintenance of cost records is not necessary as per relevant provisions of the companies Act 2013.
- 7) (a) The company is generally regular in depositing undisputed statutory dues including Staff Provident Fund, Employees' State Insurance, Income Tax, VAT, CST, Service Tax, Excise Duty, Cess, Goods and service tax, duty of customs and other material statutory dues as applicable to it.
 (b) According to the informations and explanations given to us the following taxes were not deposited as the same are disputed and under adjudication of Hon'ble High Court at Hyderabad

Particulars	Disputed/ demanded Amount (Rs.)	Forum where dispute is pending in appeal As on 31.03.2018
i) CENVAT on Capital Goods (Net of payment)	12,14,662	The Central Excise and Service Tax Appellate Tribunal, Bangalore (CESTAT) decided this matter in favour of the company, but the Excise Department has preferred an appeal with the Hon'ble High Court of Hyderabad and the matter is subjudice.

- (c) In our opinion there is no amount required to be transferred to Investor education and protection fund in accordance with the relevant provisions of the Companies Act, 2013 and rules framed thereunder.

- 8) According to the informations and explanations given to us and the records examined by us, the Company has not defaulted in repayment of dues to banks, any financial institutions, government or dues to debenture holders . The company has not accepted any fund on account of issue of debentures.
- 9) During the year no amount was raised by way of initial public offer or further public offer (including debt instruments) and term loans.
- 10) According to the informations and explanations given to us no fraud on or by the Company or by its officers or employees has been noticed or reported during the year.
- 11) The managerial remuneration paid during the year to the Managing Director of the company is in accordance with the requisite approval mandated by the provisions of section 197 read with schedule V to the Companies Act, 2013 and applicable rules.
- 12) The company is not a Nidhi Company and therefore clause (xii) of the order is not applicable to the company.
- 13) There were some transactions with the related parties during the year which are in compliance with sections 177 and 188 of the Companies Act, 2013 and disclosure of the same has been made in the financial statements etc as required by the applicable accounting standards.
- 14) During the year the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence no reporting on this account is required.
- 15) During the year company has not entered into any non-cash transaction with directors or person connected with them.
- 16) The company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

“Annexure B”

To the Independent Auditor’s Report of even date on the Financial Statements of Ashirwad Steels & Industries Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Ashirwad Steels & Industries Limited as of March 31, 2018 in conjunction with our audit of the IND AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

Note No. : 2 Significant accounting policies

2.1 Statement of Compliance with Ind AS

In accordance with the notification dated 16th February, 2015, issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) with effect from 1st April, 2017 with restatement of previous year figures presented in this financial statements. Accordingly, the financial statements have been prepared in accordance with Ind AS prescribed under Section 133 of the Companies Act, 2013 ("Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) (Amendment) Rules, 2016.

The Company has adopted all the applicable Ind AS and the adoption was carried out in accordance with Ind AS-101 First time adoption of Indian Accounting Standards.

The transition was carried out from Generally Accepted Accounting Principles in India which comprised of applicable Accounting Standards specified under section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014, other pronouncements of the Institute of Chartered Accountants of India (ICAI), relevant applicable provisions of the Companies Act, 1956, and the Companies Act, 2013 to the extent applicable and the applicable guidelines issued by the Securities and Exchange Board of India (SEBI) ("Previous GAAP").

These financial statements for the year ended 31st March, 2018 are the first financial statements of the Company prepared in accordance with Ind AS. The date of transition to Ind AS is 1st April, 2016. Reconciliations and descriptions of the effect of the transition have been summarized in Note No. 31

All the Ind AS issued and notified by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the financial statements are approved for issue by the Board of Directors has been considered in preparing these financial statements.

2.2 Basis of preparation

These financial statements have been prepared in accordance with Ind AS under the historical cost basis except for the following:

- i) Certain financial assets and financial liabilities (including derivative instruments) - measured at fair value.

Historical cost is generally based on the fair value of the consideration in exchange for goods and services.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

The financial statements including notes thereon are presented in Indian Rupees ("Rupees" or "Rs."), which is the Company's functional and presentation currency. All amounts disclosed in the financial statements including notes thereon have been rounded off to the nearest lacs as per the requirement of Schedule III to the Act, unless stated otherwise.

2.3 Revenue recognition

Revenue is recognised to the extent it is probable that economic benefits would flow to the Company and the revenue can be reliably measured, regardless of when the revenue proceeds is received from customers.

Revenue is measured at the fair value of the consideration received/receivable taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the Government.

The specific recognition criteria for revenue recognition are as follows:

a) Sale of goods

Sale of goods is recognised at the time of transfer of substantial risk and rewards of ownership to the buyer for a consideration. It includes excise duty and cess and excludes sales tax/VAT, GST (Goods & Services Tax) trade discounts and rebates.

b) Interest income

Interest income is included in "Other Income" in the Statement of Profit and Loss.

c) Dividend Income

Dividend income is recognised when the Company's right to receive the dividend is established i.e. in case of interim dividend, on the date of declaration by the Board of Directors; whereas in case of final dividend, on the date of approval by the shareholders.

d) All other income are accounted for on accrual basis.

2.4 Expenses

All expenses are accounted for on accrual basis.

2.5 Property, plant and equipment (PPE)

a) Transition to Ind AS

The Company has elected to continue with carrying value of all Property, plant and equipment under the previous GAAP as deemed cost as at the transition date i.e. 1st April, 2016

Under the previous GAAP, Property, plant and equipment were stated at their original cost (net of accumulated depreciation and impairment) adjusted by revaluation of certain assets.

b) All Property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses, if any.

The cost of an asset includes the purchase cost of materials, including import duties and non-refundable taxes, and any directly attributable costs of bringing an asset to the location and condition of its intended use.

Subsequent costs are included in the asset's carrying amount only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably.

The carrying amount of the replaced part is derecognised. All other repair and maintenance costs are recognised in the Statement of Profit and Loss as incurred.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

During the year, in terms of Ind AS 36 Impairment of Assets, the company has determined impairment loss (if any) in respect of its Assets wherever considered necessary.

c) Depreciation methods, estimated useful lives and residual value

Freehold land is not depreciated.

Lease-hold land are amortised over the lease term.

Depreciation on other items of PPE is provided on a straight-line basis to allocate their cost, net of their residual value

over the estimated useful life of the respective asset as specified in Schedule II to the Companies Act, 2013, except for Power transmission lines and Mobile phones which are depreciated over a period of five years and three years respectively.

The estimated useful lives are determined based on assessment made by technical experts, in order to reflect the actual usage of the assets. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

The estimated useful lives considered are as follows:

Category	Useful life
Buildings (other than factory building)	60 years
Factory Building	30 years
Plant & Machinery	25 years
Electrical Installation & Equipment (for double shift)	20 years
Generator Set (for Double Shift)	20 years
Laboratory Equipment	10 years
Weighing Machines, Tools & Implements, Pollution Equipments & Fire fighting equipments	25 years
Computer & Accessories	3 years
Office Equipments including Air Conditioners	5 years
Furniture & Fixtures	10 years
Motor Cars	8 years
Motor Cycles & Scooters	10 years

There exists no restrictions or any encumbrances on title by way of any security/pledge of any property or plant & Equipment against any liability of the company.

Each item of PPE individually costing Rs. 5,000/- or less is depreciated over a period of one year from the date the said assets is available for use.

The residual value of an item of PPE is not more than 5% of the original cost of the respective asset.

The estimated useful lives, residual values and depreciation method are reviewed at-least at the end of each financial year and are adjusted, wherever appropriate.

2.6 Inventories

- a) Inventories (other than By-products and scraps) are valued at lower of cost and net realisable value after providing for obsolescence, if any.

Cost of inventory comprises of purchase price, cost of conversion and other directly attributable costs that have been incurred in bringing the inventories to their respective present location and condition. Borrowing costs are not included in the value of inventories.

The cost of inventories is computed on FIFO (First in First Out) basis.

Net realisable value (NRV) is the estimated selling price in the ordinary course of business less estimated costs of completion and the estimated costs necessary to make the sale.

- b) By-products and scraps are valued at net realisable value (if any)

2.7 Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset and the arrangement conveys a right to use the asset even if that right is not explicitly specified in an arrangement.

For arrangements entered into prior to the transition date, i.e. 1st April, 2016, the Company has determined whether the arrangements contain lease on the basis of facts and circumstances existing on the date of transition.

a) When the Company is a lessee

A lease is classified at the inception date as a finance lease or an operating lease. Leases under which substantially all the risks and rewards of ownership are transferred to the Company are classified as finance leases.

Payment made under operating leases are recognized as expense in the Statement of Profit and Loss on a straight line basis over the lease term, unless the receipts are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increase.

b) When the Company is a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Where the escalation of lease rentals is in line with the expected general inflation so as to compensate the lessor for expected inflationary cost, the increases in the rentals is not straight lined.

The company has leased its RLHG/LPG Bottling Plant located at Ulberia, Howrah (West Bengal) along with all existing building, structures and equipment, storage bullets, pipings etc situated on the same land and the plant and equipment and other immovable assets with effect from 21-03-2000. The lease Period has been renewed for a further period upto 31-03-2020.

2.8 Provisions, contingent liabilities and contingent assets

a) A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are not recognised for future operating losses.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at current pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the passage of time is recognized as finance costs.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation as at the balance sheet date, taking into account the risks and uncertainties surrounding the obligation. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset, if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably. The expense relating to provision is presented in the Statement of Profit and Loss, net of any reimbursement.

b) A contingent liability is not recognised in the financial statements, however, is disclosed, unless the possibility of an outflow of resources embodying economic benefits is remote. If it becomes probable that an outflow of future economic benefits will be required for an item dealt with as a contingent liability, a provision is recognized in the financial statements of the period (except in the extremely rare circumstances where no reliable estimate can be made).

c) A contingent asset is not recognised in the financial statements, however, is disclosed, where an inflow of economic benefits is probable.

When the realisation of income is virtually certain, then the related asset is no longer a contingent asset, and is recognised as an asset.

d) Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

2.9 Employee benefits

a) Short-term employee benefits

Short-term employee benefits in respect of salaries and wages, including non-monetary benefits are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the related service is rendered.

b) Defined contribution plans

The Company pays provident and other fund contributions to publicly administered fund as per local regulations.

The Company has no further obligation, other than the contributions payable to the respective funds. The Company recognizes contribution payable to such funds as an expense, when an employee renders the related service.

c) Defined benefit plans

The Company doesn't operates a defined benefit gratuity plan, which requires contributions to be made to the recognised fund Company doesn't Carry out the Acturial valuation of the Defined benefit plan (Gratuity) hence doesn't recognise in the Balance sheet in respect of Gratuity in terms of present value of the Defined benefit obligation as the Balance Sheet date less fair value of plan assets.

2.10 Financial instruments

Financial assets and financial liabilities are recognised in the Balance sheet when the Company becomes a party to the contractual provisions of the instrument. The Company determines the classification of its financial assets and financial liabilities at initial recognition based on its nature and characteristics.

a) Financial assets

i) Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

The financial assets include equity, trade and other receivables, loans and advances, cash and bank balances and derivative financial instruments

ii) Subsequent measurement

For the purpose of subsequent measurement, financial assets are classified in the following categories:

- 1) At amortised cost,
- 2) At fair value through other comprehensive income (FVTOCI), and
- 3) At fair value through profit or loss (FVTPL).

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- 1) The asset is held within a business model whose objective is to hold the asset for collecting contractual cash flows, and
- 2) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR

Equity investments

All equity investments in the scope of Ind AS 109 are measured at fair value.

Equity instruments included within the FVTPL category, if any, are measured at fair value with all changes recognized in profit or loss. The Company may make an irrevocable election to present in OCI subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in OCI. There is no recycling of the amounts from OCI to profit or loss, even on sale of investment.

However, the Company may transfer the cumulative gain or loss within equity.

iii) De-recognition

The Company derecognises a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset.

b) Financial liabilities**(i) Initial recognition and measurement**

All financial liabilities are recognised initially at fair value

The financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, derivative financial instruments etc.

(ii) Subsequent measurement

For the purpose of subsequent measurement, Financial liabilities are classified in two categories:

- 1) Financial liabilities at amortised cost, and
- 2) Derivative instruments at fair value through profit or loss (FVTPL)

c) Derivative financial instruments

Initial recognition and subsequent measurement

Derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value.

Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss.

d) Offsetting of financial instruments

Financial assets and financial liabilities including derivative instruments are offset and the net amount is reported in the Balance sheet, if there is currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously

e) Fair value measurement

Fair value is a market-based measurement, not an entity-specific measurement. Under Ind AS, fair valuation of financial instruments is guided by Ind AS 113 "Fair Value Measurement."

For some assets and liabilities, observable market transactions or market information might be available. For other assets and liabilities, observable market transactions and market information might not be available. However, the objective of a fair value measurement in both cases is the same to estimate the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions (i.e. an exit price at the measurement date from the perspective of a market participant that holds the asset or owes the liability).

Three widely used valuation techniques specified in the said Ind AS are the market approach, the cost approach and the income approach which have been dealt with separately in the said Ind AS.

Each of the valuation techniques stated as above proceeds on different fundamental assumptions, which have greater or lesser relevance, and at times there is no relevance of a particular methodology to a given situation. Thus, the methods to be adopted for a particular purpose must be judiciously chosen. The application of any particular method of valuation depends on the company being evaluated, the nature of industry in which it operates, the company's intrinsic strengths and the purpose for which the valuation is made.

In determining the fair value of financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each balance sheet date.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

f) Share capital

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Incremental costs directly attributable to the issuance of new equity shares are recognized as a deduction from equity, net of any tax effects.

2.11 Impairment of Assets

a) Non-financial assets

Property, plant and equipment and intangible assets are evaluated for recoverability whenever events or changes in circumstances indicate that the carrying amounts may not be recoverable.

An impairment loss is recognized for the amount by which the carrying amount of the asset exceeds its recoverable amount.

The recoverable amount is the higher of an asset's fair value less costs to sell and value in use.

For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units).

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the impairment loss previously recognized is reversed such that the asset is recognized at its recoverable amount but not exceeding written down value which would have been reported if the impairment loss had not been recognized.

b) Financial assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss.

ECL impairment loss allowance is measured at an amount equal to lifetime ECL.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income or expense in the Statement of Profit and Loss. This amount is reflected under the head "Other expenses" in the profit or loss. ECL is presented as an allowance, i.e. as an integral part of the measurement of those assets in the Balance sheet. The allowance reduces the net carrying amount.

Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

2.12 Taxes

Income tax expense comprises current tax and deferred tax and is recognized in the Statement of Profit and Loss except to the extent it relates to items directly recognized in Equity or in OCI.

a) Current income tax

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities using the tax rates and tax laws that are enacted or substantively enacted by the balance sheet date and applicable for the period.

Current tax items in correlation to the underlying transaction relating to OCI and Equity are recognized in OCI and in Equity respectively.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously

b) Deferred income tax

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred tax assets are recognized for deductible temporary differences, the carry forward of unused tax credits and any unused tax losses to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilised.

Unrecognised deferred tax assets are re-assessed at each balance sheet date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off deferred tax assets against deferred tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

2.13 Earnings per Share

- a) Basic earnings per share are computed by dividing the net profit/(loss) after tax by the weighted average number of equity shares outstanding during the year.
- b) Diluted earnings per share are computed by dividing the net profit/(loss) after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares which could be issued on the conversion of all dilutive potential equity shares.

2.14 Segment Reporting

Company is into a single line of business and doesn't have any Reportable Segment, hence Reporting requirements as per Ind AS 108 is not applicable

2.15 Cash and cash equivalents

Cash and cash equivalents in the Balance sheet comprise cash on hand, cheques on hand, balance with banks on current accounts and short term, highly liquid investments with an original maturity of three months or less and which carry insignificant risk of changes in value.

For the purpose of the Cash Flow Statement, Cash and cash equivalents consist of Cash and cash equivalents, as defined above and net of outstanding book overdrafts as they are considered an integral part of the Company's cash management

2.16 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the Company are segregated

2.17 Recent Accounting Pronouncements

During March 2017, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2017, notifying amendments to Ind AS 7 - Statement of cash flows.

These amendments are in accordance with the recent amendments made by International Accounting Standards Board (IASB) to IAS 7 - Statement of cash flows respectively. The amendments are applicable to the Company from 1st April, 2017

Amendment to Ind AS 7 - Statement of cash flows

The amendment to Ind AS 7 requires the entities to provide disclosures that enable users of financial statements to evaluate

changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities, to meet the disclosure requirement

Note No. : 3 Use of critical estimates, judgements and assumptions

The preparation of the financial statements requires the use of accounting estimates, which, by definition would seldom equal the actual results. Management also needs to exercise judgement and make certain assumptions in applying the Company's accounting policies and preparation of financial statements.

The use of such estimates, judgements and assumptions affect the reported amounts of revenue, expenses, assets and liabilities including the accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in the future periods.

Estimates and judgements are continuously evaluated. They are based on historical experience and other factors including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the balance sheet date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are described below.

The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

In the process of applying the Company's accounting policies, management has made the following judgements, which have most significant effect on the amounts recognised in the financial statements

i) Estimated useful life of Property, plant and equipment

PPE represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual value of the asset are determined by the management when the asset is acquired and reviewed periodically including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their lives, such as change in technology.

ii) Recognition of deferred tax assets for carried forward tax losses and unused tax credit

Deferred tax assets are recognised for unused losses (carry forward of prior years' losses) and unused tax credit to the extent that it is probable that taxable profit would be available against which the losses could be utilised. Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

iii) Estimated fair value of unlisted securities

The fair values of financial instruments that are not traded in an active market and cannot be measured based on quoted prices in active markets is determined using valuation techniques including Net Asset Value method, discounted cash flow (DCF) model.

The Group uses its judgement to select a variety of method/methods and make assumptions that are mainly based on market conditions existing at the end of each financial year.

The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

Changes in assumptions about these factors could effect the reported fair value of financial instruments.

Note:

In assessing the realisability of the deferred tax assets, management considers whether some portion or all of the deferred tax assets will not be realized.

The ultimate realisation of the deferred tax assets, carried forward losses and unused tax credits is dependent upon the generation of future taxable income during the periods in which the temporary difference become deductible. Management considers the scheduled reversals of deferred tax liabilities, projected future taxable income and the planning strategies in making this assessment. Based on the historical taxable income and projection of future taxable income over the periods in which the deferred tax assets are deductible, management believes that the Company will realise the benefits of those recognised deductible differences, carried forward losses and portion of unused tax credits.

(ii)* Recovery of excise duty flows to the entity on its own account because it is a liability of the Manufacturer which forms part of the cost of production, irrespective of whether the goods are sold or not. Since the recovery of excise duty flows to the entity on its own account therefore Revenue includes Excise Duty and hence Excise duty of Rs. 77.83 lacs is included in the Revenue from Sale of Goods for the year 2017-18 and Excise Duty of Rs. 5.74 lacs is included in the Revenue from sale of Goods for the year 2016-17

(iii) Sale of Goods post Introduction of GST

The incidence of GST is on supply of goods or Services and it is recovered from the customer.

As in paragraph 8 of Ind AS 18, revenue includes only the gross inflows of economic benefits received or receivable by the entity on its own Account. Amounts collected on behalf of third parties, i.e., Sales Tax, Goods and Services Tax and Value added taxes are not economic benefits which flow to the entity and do not result in increases in equity. Therefore they are excluded from Revenue.

Particulars	As at 31st March 2018	As at 31st March 2017	As at 1st April 2016
a) Bank Guarantee issued by the HDFC Bank in favour of Central Coal fields Ltd. Being Bank Guarantee No.014GT01133450003 dated 11.12.2013 for Rs.46,00,000/- and renewed on 05.03.2018 against which the company has pledged/created lien on it's fixed deposits with the HDFC Bank Ltd.	46.00	46.00	46.00
b) This demand was set aside by the Central Excise Service Tax Appellate Tribunal, Bangalore but the excise authorities have preferred an appeal in the Hon'ble High Court at Hyderabad against orders of the tribunal.	12.14	12.14	12.14
c) Compensation of Rs.1,15,48,530/- for Company's alleged non-lifting of coal has been wrongly and illegally claimed by M/s Central Coalfields Ltd., Ranchi, and the Company has refused and refuted such illegal and baseless claims and the entire matter is pending with the Hon'ble High Court at Ranchi for adjudication. The CCL has, however, most illegally adjusted company's Purchase advance of Rs.1,14,09,500/- against their aforesaid wrong/baseless/illegal compensation claim of Rs 1,15,48,530/-. The company has a good case against CCL and hence continues to treat it's Purchase Advance as a good recoverable asset along with interest. Similarly performance incentive claim of Rs.10,86,024/- by CCL is also not acknowledged and considered as payable or a debt being disputed and adjudicated.	115.48	115.48	115.48

- 2) Effective 2011; M/s. Central Coalfields Ltd., Ranchi, had increased the price of 'B' Grade coal by whopping approx. 130% overnight in one stroke resulting in the aforesaid coal becoming absolutely unviable and uneconomical for the production of Sponge Iron at Company's Sponge Iron Plant located at Jamshedpur. Accordingly, the Company had made several requests and representations, verbally and in writing to them with a request to supply Grade 'C' coal or lower grade of coal whose price increase was only 30% but Central Coalfields Ltd. most arbitrarily and illegally refused such valid requests of the company. Being highly aggrieved by this most illegal, unjustified, arbitrary and discriminatory act; the Company had taken legal action against Central Coalfields Ltd. (CCL) in the Hon'ble High Court at Ranchi

Note No. : 31 Other disclosures (Contd.)

and that matter is under adjudication. As the Company suffered heavy losses for non-supply of coal by CCL, despite having provided them with Bank Guarantees of Rs.46,00,000/- and Coal advance amount of Rs.1,14,30,107/-; it got entitled for compensation from Central Coalfields Ltd. as per Clause No. 4.5 to 4.8 of FSA dated 29.04.2008 entered with them and also based on Principles of natural law and justice and it accordingly raised on CCL a Compensation Bill of Rs.99.45,450/- for accounting year 2011-12 and Rs.99,45,450/- for accounting year 2012-13 along with an Interest amount of Rs.2,96,42,992/- receivable/claimed on the said compensation amount up to 31.03.2018 and an Interest amount of Rs.2,70,70,164/- as on 31.03.2018 on Company's purchase advance amount of Rs.1,14,30,107/- lying with them. Upon refusal by Central Coalfields Ltd. to pay the aforesaid compensation and interest amounts; the Company has filed legal suit against the Central Coalfields Ltd. at Hon'ble High Court at Ranchi and the said suit is pending for hearing and adjudication. Since, the matter is subjudice; the Company will account for the aforesaid compensation and interest amount being legitimately receivable/claimed from Central Coalfields Ltd; on actual receipt basis after the verdict is announced by the Hon'ble High Court at Ranchi and/or higher courts.

3) As per the requirements of section 22 of the Micro, Small and Medium Enterprises Development Act, 2006 with respect to trade payables, the Company has no outstanding towards it.

B. Fair value hierarchy

The fair value of the financial assets and financial liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values

(1) Fair value of cash and cash equivalents, bank balances other than cash and cash equivalents, trade and other receivables, loans and other current & Non-current financial assets, and other current financial liabilities approximate their carrying amounts due to the short term maturities of these instruments.

(2) The Company uses the following fair value hierarchy for determining and disclosing the fair value of financial instruments:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

Investments in unquoted equity shares	Adjusted net asset method		

Since there is no gain or loss in re-measurement of Investments in unquoted equity shares during the F.Y 2017-18 & F.Y 2016-2017 hence reconciliation is not considered necessary Fair value of Investments in unquoted equity shares is carried out by using level 3 basis and Fair value approximates the adjusted net asset method used to arrive at fair value. Investments in unquoted preference shares are taken at cost as fair value approximates the transaction price, i.e. cost.

9) Financial risk management objectives and policies

The Company's principal financial liabilities are Security deposit characterised with repayable in short period and beside that there exists no other financial liabilities. The Company's principal financial assets include Trade receivables, Cash and cash equivalents & other financial assets that derive directly from its operations.

The Company is exposed to credit risk, liquidity risk and market risk. The Company's senior management oversees the management of these risks and the appropriate financial risk governance framework for the Company. The senior management provides assurance that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

The Board of Directors reviewed policies for managing each of these risks, which are summarized below :

(A) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other risks, such as regulatory risk and commodity price risk.

(I) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's obligations towards Bank overdraft with floating interest rates.

(II) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in Foreign exchange rates. Since Company doesn't have any exposure in Foreign currency therefore it doesn't effect the company's cash flow

Note No. : 31 Other disclosures (Contd.)

(III) Regulatory risk

Risk is inherent in every business activity and Sponge iron Industry is no exception. The Steel Industry displays strong commodity characteristics and is subject to cyclical price movements in business cycle. The company is exposed to risks from overall market, cheaper import of steel, changes in Government policies, law of the land, Taxation increases its cost of inputs like iron ore, coal, power, diesel, freight etc which effects the financial performance of the company.

(IV) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

The impairment for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each balance sheet date.

Financial assets are written off when there is no reasonable expectation of recovery, however, the Company continues to attempt to recover the receivables. Where recoveries are made, these are recognised in the Statement of Profit and Loss.

(V) Trade receivables

Trade receivables are non-interest bearing and are generally on credit terms of 3 to 60 days.

An impairment analysis is performed at each balance sheet date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively

The ageing analysis of the receivables has been considered from the date the invoice falls due

(10) Balances with banks

Credit risk from balances with banks is managed in accordance with the Company's policy

Liquidity risk

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts and short term loans from banks.

(11) Capital Management

(a) Risk management

For the purpose of the Company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity shareholders of the Company. The Company's objective when managing capital is to safeguard its ability to continue as a going concern so that it can continue to provide returns to shareholders and other stake holders.

The Company manages its capital structure and makes adjustments in light of changes in the financial condition and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders (buy back its shares) or issue new shares.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. The Company has complied with these covenants and there have been no breaches in the financial covenants of any interest-bearing loans and borrowings.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31st March, 2018 and for the year ended 31st March 2017.

Note No. : 31 Other disclosures (Contd.)**12) Explanation of transition to Ind AS**

- (A)** These financial statements, for the year ended 31st March, 2018, are the first financial statements, the Company has prepared in accordance with Ind AS.

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for year ended 31st March, 2018, together with the comparative figures for the year ended 31st March, 2017, as described in the summary of significant accounting policies [Refer Note No.2].

In preparing these financial statements, the Company's opening balance sheet was prepared as at 1st April, 2016, i.e. the date of transition to Ind AS.

This note explains the principal adjustments made by the Company and an explanation on how the transition from the previous GAAP to Ind AS has affected its financial statements, including the Balance Sheet as at 1st April, 2016 and the financial statements for the year ended 31st March, 2017.

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from the previous GAAP To Ind AS.

- (B)** The Company has elected to continue with carrying value of all Property, plant and equipment under the previous GAAP as deemed cost as at the transition date i.e. 1st April, 2016. Under the previous GAAP, Property, plant and equipment were stated at their original cost (net of accumulated depreciation, amortization and impairment), if any.
- (C)** Appendix C to Ind AS 17 requires an entity to assess whether a contract or arrangement contains a lease. In accordance with Ind AS 17, this assessment should be carried out at the inception of the contract or arrangement. However, the Company has used Ind AS 101 exemption and assessed all arrangements for embedded leases based on conditions in place as at the date of transition.
- (D)** Under Ind AS 109, at initial recognition of a financial asset, an entity may make an irrevocable election to present subsequent changes in the fair value of an investment in an equity instrument in other comprehensive income. Ind AS 101 allows such designation of previously recognized financial assets, as 'FVTOCI' on the basis of the facts and circumstances that existed at the date of transition to Ind AS.

Accordingly, the Company has designated its investments in certain equity instruments at fair value through other comprehensive income on the basis of the facts and circumstances that existed as at the date of transition to Ind AS.

- (E)** The estimates as at 1st April, 2015 and as at 31st March 2016 are consistent with those made for the same dates in accordance with Indian GAAP (after adjustments to reflect any differences in accounting policies).
- (F)** Ind AS 101 requires the de-recognition requirements of Ind AS 109 to be applied prospectively to transactions occurring on or after the date of transition.

Therefore, the Company has not recognized financial assets and liabilities under Ind AS which were derecognized under the previous GAAP as a result of a transaction that occurred before the date of transition.

- (G)** The Company has applied the requirements in Ind AS 109 at the date of transition to Ind AS.

(D) Footnotes to the reconciliation of equity as at 1st April, 2016 and 31st March, 2017 and Statement of Profit and Loss for the year ended 31st March, 2017

(1) Property, plant and equipment

Under Ind AS, the Company has elected to opt for cost model with respect to property, plant and equipments

(2) Investments

Investments in equity instruments

Under the previous GAAP, investment in equity instruments were classified as long term investments or current investment based on the intended holding period and realisability. The Company accounted for long term investments in equity shares as investment measured at cost less provision for other than temporary diminution in the value of investments, if any.

Under Ind AS, the Company has the option to designate such investments either as FVTOCI or FVTPL investments. In case of other long term investments in unquoted equity shares, the Company has designated investments as FVTOCI investments as at the date of transition. Ind AS requires FVTOCI investments to be measured at fair value.

Note No. : 31 Other disclosures (Contd.)**(3) Current tax**

Current tax liabilities have been accounted for on account of various transitional adjustments as stated above as at the date of transition with corresponding impact either to Retained earnings or Other Comprehensive Income in correlation to the underlying transaction

(4) Deferred tax

Previous GAAP required deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the year. Ind AS 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application of Ind AS 12 approach has resulted in recognition of deferred tax on new temporary differences which were not required under the previous GAAP. Moreover, carryforward of unused tax credits are to be treated as deferred tax assets which was earlier considered as Other non-current non-financial assets.

In addition, the various transitional adjustments lead to temporary differences and consequently deferred tax adjustments have been recognized in correlation to the underlying transaction in retained earnings.

The net impact on deferred tax liabilities has increased by Rs -55.67 lacs and Rs -55.93 lacs as at the date of transition and for the year ended 31st March 2017.

(E) Revenue from sale of goods**Excise duty**

Under the previous GAAP, revenue from sale of goods was presented as net of excise duty on sales. However, under Ind AS, revenue from sale of goods includes excise duty and such excise duty is separately presented as an expense on the face of the Statement of Profit and Loss. Thus, under Ind AS, sale of goods for the year ended 31st March, 2017 has increased by RS 5.74 lacs with a corresponding increase in "Total expense".

(F) Interest Income/ Interest Expense

The previous GAAP required the recognition of revenue from interest on time proportion basis. However, Ind AS requires interest on financial assets to be recognized using the effective interest rate method.

(G) Cash flow statement

Under Ind AS, bank overdrafts forms an integral part of the cash management process and are included in cash and cash equivalents for the purpose of presentation of Cash Flow Statement.

Bank deposits having maturity more than 12 months has been classified as Other Financial Assets under Non- Current Investments to the tune of Rs 1969.70 Lacs as on the date of transition that is April 1st 2016 and Rs 1621.25 Lacs as on 31st March 2017.

Apart from the above, the transition from the previous GAAP to Ind AS has not had a material impact on Cash Flow Statement.

(H) Retained earnings

Retained earnings as at the transition date has been adjusted consequent to the above Ind AS transitional adjustments

(I) Total comprehensive income and other comprehensive income

Under the previous GAAP, the Company did not present total comprehensive income and other comprehensive income. Hence, it has reconciled the previous GAAP profit to profit as per Ind AS. Further, the previous GAAP profit is reconciled to other comprehensive income and total comprehensive income as per Ind AS.

The previous year's including figures as on the date of transition have been reworked, regrouped, rearranged and reclassified wherever necessary. Amounts and other disclosures for the preceding year including figures as at the date of transition are included as an integral part of the current year financial statements and are to be read in relation to the amounts and other disclosures relating to the current year

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2018

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
Ashirwad Steels & Industries Limited
6, Waterloo Street
Room No. 506, 5th Floor
Kolkata – 700 069

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s. Ashirwad Steels & Industries Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by M/s. Ashirwad Steels & Industries Limited and also based on the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2018 ("Audit Period") complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter. However, as explained to me by the management, the Company inadvertently missed to file MGT-15 for the Annual General Meeting held on 18th September, 2017.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by M/s. Ashirwad Steels & Industries Limited ("the Company") for the financial year ended on 31st March, 2018 according to the provisions of:

- (i) The Companies Act, 2013 ("the Act") and the rules made thereunder;

 - e) Goods & Service Tax

In respect of other laws specifically applicable to the Company, I have relied on the information/statement provided by the Company during the course of my audit and the reporting is limited to that extent.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standard-I and II issued by the Institute of Company Secretaries of India as notified till 31.03.2018.
- (ii) The Listing Agreements entered into by the Company with Bombay Stock Exchange Limited;

I further report that;

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There is no change in the composition of the Board of Directors during the period under review.

Adequate notice was given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting, if required by any director.

Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that there are no events or actions having a major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

I further report that as explained to me by the management, two industrial units of the Company remained in-operative for the entire financial year 2017-18 for reasons and circumstances beyond the control of the management, which has a major bearing on the affairs of the company.
